

Year 11 Parents GCSE Support Evening – Thursday 25th September 6-8pm

Dear Parent/Carer,

I am delighted to welcome your child into Y11 at Filey Academy. We have a number of effective and essential strategies that we will be using to ensure your child is successful in their upcoming GCSE examinations. Our target, is that our current Y11 cohort achieve the highest grades in Filey's recent history. As a result, I am writing to invite you to our Y11 Parents GCSE Support Evening on Thursday 25th September 6-8pm.

During this evening, you will hear from members of our SLT regarding upcoming plans and strategies to help your child succeed. We will give you information around college and further education applications and you will also hear from members of staff who will explain what effective revision is, as well as giving you practical examples so that you can help support your child with their home study. The academic research shows that parental engagement in a student's learning is one of the biggest indicators to success in their examinations. Please make every effort in order to attend this evening and gain vital information for the months ahead.

Attendance is also absolutely vital to success. Research shows that attendance below 95% means students make negative progress, and this will reduce their life chances after us at Filey. Please support us and your child in ensuring they are in school every day. Every day counts in Y11.

To book your place on this evening, please follow the link below. Where possible, please bring your child with you to this event. This letter and link will be added to our school website as well as sent through the MCAS app.

I look forward to welcoming you on Thursday 25th September.

Yours faithfully,

Mr J Philliskirk

Associate Vice Principal

Filey Academy
