

Year 11 Parents' GCSE Support Evening 2 – Thursday 8th January 18:00-20:00

Dear Parent/Carer,

Unfortunately, we had to cancel the Y11 GCSE Supporting Success Evening on Thursday 20th November due to the school closure. Your child is currently completing their trial exams, and we want their focus to be on this examination series.

We are going to rearrange the GCSE Supporting Success Evening for Thursday 8th January 6-8pm. It will again be on the school site. There are important messages that we want to give you, and we do not want to cancel this evening entirely. The evening will follow a very similar structure but instead of preparation for the trial exams, we will be able to give you feedback about the exam results and our actions moving forward. These messages will be vital for you as a parent to support your child through their remaining months with us at Filey Academy

This evening will precede the conventional Y11 Parents' Evening on Thursday 29th January. During this evening you will have the opportunity to sit down with your child's individual teachers and discuss their progress and next steps for improvement. Information about the Parents' Evening on Thursday 29th January will be sent to you when we return for the new term in January 2026.

I realise that this will mean that there will be two Parents' events within a shorter period than originally planned. However, both are incredibly important in order to support your child through their GCSE exams.

Please make every effort to attend both evenings and gain vital information for the months ahead.

As of today, your child has 98 school days left before the GCSE exams start on Tuesday 5th May.

To book your place on our rearranged GCSE Parents' Supporting Success Evening, please follow the link below. This letter and link will be on our school website and will also be sent out via text.

[Y11 GCSE Parents Support Evening - Thursday 8th January 2026, 6-8pm. – Fill in form](#)

I look forward to welcoming you on Thursday 8th January. If you have any questions regarding this evening, please contact Mr Philliskirk or Mr Emmerson.

Yours faithfully,

Mr J Philliskirk
Associate Vice Principal
Filey Academy
