

Dear Parent/Carer,

This year we will be running an extracurricular STEM club for KS3 students. By being part of this programme, students will have the opportunity to extend their knowledge and experience beyond the curriculum and develop their STEM-based skills through hands-on problem solving and teamwork. I would like to invite your child to attend this activity each week.

The club will run after school on Thursdays in my classroom (S3). It will start at 3:10pm after Period 5 and finish at 4:10pm from Thursday 6th November.

Please complete the reply slip below to indicate whether you agree to your child attending the activity. If you do not want your child to attend, please return the slip so the place can be offered to another student.

Yours faithfully,

K Francis
Teacher of Science
