

8th October 2025

Dear Families,

At our Year 6 Open Evening on Thursday this week, we will be welcoming our potential 2026 starters. As part of this, we will be showing families the Delta school uniform. As we have now joined Delta fully, Filey Academy will move to the Delta uniform by September 2026. This will allow our families to benefit from the scale offered by a large Trust, meaning uniform will be great quality yet less expensive. I'm pleased to let you know that all children will receive one full, free uniform (including PE kit), with the exception of Year 11, who will conclude their education with us in their current uniform.

In tutor time this week, we will be able to show our current students what the uniform will look like. I have attached an image for you to see. There is work underway with suppliers to ensure there is a timeline that can be managed across the Coast and Vale secondary schools, and as soon as there is more information, I will share this with you. An ordering system will enable families to ensure we get the right fit for the right students; this is a system that Delta have managed many times across many settings.

I'm sure that you will be keen for more details, but please bear with us as the resources and systems to bring about this change are put in place. We'll be back in touch soon.

With all best wishes,

A handwritten signature in black ink, appearing to read 'Miss Pegg', with a stylized flourish extending from the end.

Miss Pegg
Principal
